

Dear Sponsor,

United Way Galveston County Mainland works to advance the common good by means of creating opportunities for a good life for everyone. Studies show the three critical building blocks to achieve success in life are: education, health and financial stability. So that's where United Way focuses our efforts. Education-preparing children for success, Income-promoting financial stability and Health-improving people's access to health care and services.

On November 23, 2019 UWGCM will host the seventh annual ***Miles for the Mainland Fun Run*** to raise awareness of the work and mission of United Way and its 29 community partners.

The course is scheduled to take our runners and walkers through one of Texas City's most scenic areas. Beginning at Rainbow Park where the historical F-100 Jet and Burgess-Curtis Biplane are located, thru the Scout area Path, past the beautiful Sundance Garden, ending the run down Skyline Drive for a glimpse of the gulf waters and the Shoal Point Lighthouse. While our race is certified for those race enthusiasts, it is sure to be just as much fun for families and friends to come out and enjoy the outdoors and experience the thrill of being a part of our community.

We hope you will consider becoming a race sponsor. We have a number of sponsorship opportunities available for you to choose from. You and your employees can come help us on race day, enter the race and create some competition within your company, or just help us by sponsoring the event

United Way Galveston County Mainland serves the 13 communities located on the mainland of Galveston County. The local agencies that benefit from your United Way support have seen an increase in need throughout the county.

Please consider one of the opportunities on the attachment provided. Please call us at 409-948-4211 for additional information. On behalf of the Board of Directors, staff and the thousands of individuals and families served by United Way funded programs throughout Galveston County, we thank you for supporting United Way.
